PCR TESTING FOR COVID-19 AT LOWER ZAMBEZI NATIONAL PARK

Anabezi and other operators in Lower Zambezi National Park, in collaboration with Corporate Air and Victoria Hospital, are offering as a service to their guests COVID-19 PCR Testing at Jeki Airstrip/Anabezi Camp on an on- demand basis.

Results will be available within 12 hours by email, and hard copy Government Certificates will be available within 24 hours for collection from the Corporate Air office LUN (KK Intl Airport) 0830-1630, 7 days/week. After hours collections will attract a fee of \$50.

Pricing is as follows:

\$120 per test PLUS prorata share of air charter that will fly in nurse and testing kits ie:

- \$500 each for one pax.
 - \$250 each for two pax.
 - \$170 each for three pax.
 - \$125 each for four pax.
- And so on...

Payable in camp by cash, credit card or Online Transfer.

Our hope is that there will be multiple camps using this service each time and so transport cost would be kept to a minimum however there is no guarantee and pricing can only be confirmed on the day.

Prices subject to change without notice.
